Mrs. Phoebe M. Lauru
41 Stonegate
Portola Road
Woodside, California

Dear Mrs. Lauru:

I know that you have already heard from Miss Parlow of her experience with Mr. Francais, and while she had difficulty in obtaining the violin without giving up his appraisal, his attorneys finally approved and we have obtained from the insurance company, and sent to Mr. Francais, the appraisal which he had made. We have his receipt for it.

Until we hear from you or Miss Parlow, we shall maintain insurance at \$12,000., having changed the location of the violin to Toronto, and have filed this change with the insurance company.

We did not give Miss Parlow the Maucotel guarantee or a photo-static copy thereof. I assume that if she asks for either, we are at liberty to give it to her. Please let me know if this is in accordance with your wishes.

Sincerely yours,

H. M. Peterson
